To whom it may concern

Public relations agency Actia Forum had been working with DCT Gdansk SA since April 2006 till the end of July 2008. The agency rendered various public relations services, among others the agency was responsible for media relations of the terminal on the Polish market, media reporting and support of the range of events, receptions and conferences. Media relations tasks the agency provided were among others preparation and distribution of press releases, organizing press conferences and interviews with the company's representatives.

During our co-operations Actia Forum has proved to be a trustworthy and reliable business partner. The agency team is highly professional and flexible and always works for the clients' interests.

We do recommend Actia Forum to any organization as competent and responsible partner providing public relations services.

Yours truly,

DCT Gdańsk SA
Dyrektor Generalny
